Dear potential scholarship recipient:

Each year the **Dallas/Fort Worth Chapter of the Society of Fire Protection Engineers** offers two \$1000 scholarships to selected students who are interested in pursuing a career in Fire Protection Engineering. Candidates for the scholarships must be accepted into a 4-year engineering or engineering technology degree program and have either: a cumulative GPA of at least 3.0, score 600 or better on the mathematics portion of the SAT, or have a score of 19 or better on the ACT.

Timeline:

- Applications Received: January – April
- Review and Selection Process: April
- Recipient Notification: Late 1<sup>st</sup> week in May
- Funds provided for following fall semester: May or June

To apply for the scholarship, the enclosed *Application for Scholarship* form and essays must be completed and returned by **April 16, 2010**. Submittal of application by email is preferred, but US mail is acceptable.

Thank you for your assistance and please contact me at [greg.willis@libertymutual.com](mailto:greg.willis@libertymutual.com) if I can be of further assistance.

Sincerely,

Greg Willis  
Scholarship Committee Chairman
