Dear potential scholarship recipient:

Each year the **Dallas/Fort Worth Chapter of the Society of Fire Protection Engineers** offers two \$1000 scholarships to selected students who are interested in pursuing a career in Fire Protection Engineering. Candidates for the scholarships must be accepted into a 4-year engineering or engineering technology degree program and have either: a cumulative GPA of at least 3.0, score 600 or better on the mathematics portion of the SAT, or have a score of 19 or better on the ACT.

Timeline:

- Applications Received: January – March
- Review and Selection Process: March – April
- Recipient Notification: Late April
- Funds provided for following fall semester.

To apply for the scholarship, the enclosed *Application for Scholarship* form and essays must be completed and returned by **March 14, 2008**. Submittal of application by email is preferred, but US mail is acceptable.

Thank you for your assistance and please contact me at gwillis@vikingcorp.com if I can be of further assistance.

Sincerely,

Greg Willis
Scholarship Committee Chairman
