Mr. C.W. Clark, P.E.

Director of Compliance & Enforcement Division

Texas Board of Professional Engineers:

Engineering Ethics

Mr. Clark's presentation will satisfy the yearly professional development hour required for engineering license renewal

As director of the Compliance & Enforcement Division of the Texas Board of Professional Engineers, Mr. Clark manages the day-to-day operations of the division to include policy advisories, investigations of enforcement cases against violators, and providing outreach programs to educate the public and licensed engineers on engineering matters pertaining to the Engineering Practice Act.

Before joining the State of Texas, Mr. Clark worked in private industry as an Electrical Engineer with Motorola, Inc. in Austin for 21 years, and eight years with Texas Instruments in Dallas. Mr. Clark is a BSEE graduate of Southern Methodist University and a member of the Institute of Electrical and Electronics Engineers (IEEE). C.W. and his wife, Jan, have two adult children and live in the Austin area. C.W. and Jan have also been active with foster parenting and over the last 30 years have had the great pleasure of fostering more than 235 infants and children.

Please feel free to pass this along to anyone you think may have an interest in this presentation.
