

**Society of Fire Protection Engineers
Dallas-Fort Worth Chapter
Meeting Minutes for Meeting Held on: October 4th, 2010**

The *Oct. 4th, 2010* meeting was held at the Doubletree Hotel on Valley View Lane in Farmers Branch, Texas.

Lunch was served beginning at noon.

President Mark Hasenmeyer called the meeting to order at 12:30 PM.

Old Business

1. Mark Hasenmeyer reminded all members to register on the new SPFE Dallas Email Distribution list system that allows an email to be sent to all current registered members. This new system will also be the means for notifying members of the chapter meetings, news, etc.

New Business

1. Mark Hasenmeyer presented Roger Tate with his SPFE Dallas past President's Pin.
2. Mr. Bruce Woods, EFO, Department Head/Chief Mitigation and Prevention Texas Forest Service presented the Wildland Urban Interface (WUI) Fire Problem in Texas, which included lessons learned from the loss of commercial and residential structures due to ember inclusion and non-fire adaptive design and construction along with upcoming challenges and web tools that will be used/available.
3. President Mark Hasenmeyer adjourned the meeting at 1:10 PM.
