

**Society of Fire Protection Engineers
Dallas-Fort Worth Chapter
Meeting Minutes for Meeting Held on: December 3, 2012**

The December meeting was held at the Doubletree Hotel on Valley View Lane in Farmers Branch, Texas. Lunch was served beginning at noon.

President Lee Rebodos called the meeting to order at 12:25 PM. Self-introductions were given by the members and guests present.

Old Business

1. The Chapter is still working with the accountant to complete the tax issues for 2011.
2. The Chapter has previously approved the purchase of a projector; however, one has not been purchased to date.
3. Tom Wellen has filled the position of Web-master for the Chapter.

New Business

1. None.

Mr. Greg McElyea and Mr. Doug Yates with AP Sensing discussed fiber optic cable linear heat / fire detection and associated monitoring systems. AP Sensing provides distributed temperature sensing (DTS) technologies for standard and specialty sensor cables, application specific software and analysis tools for interface with building management and other software systems. Mr. McElyea is located in the McKinney, TX office of AP Sensing and can be contacted at (214) 550-0677 or through AP Sensing's website at www.apsensing.com.

President Lee Rebodos adjourned the meeting at 1:30 PM.
