

Society of Fire Protection Engineers
Dallas-Fort Worth Chapter
Meeting Minutes for Meeting Held on: February 4, 2013

The February meeting was held at the Doubletree Hotel on Valley View Lane in Farmers Branch, Texas. Lunch was served beginning at noon.

President Lee Rebodos called the meeting to order at 12:20 PM. Self-introductions were given by the members and guests present.

Old Business

1. The Chapter is still working with the accountant to complete the tax issues for 2011.

New Business

1. None.

Mr. Jeff Kochelek with Fire Protection Systems Corrosion Management, Inc. (fpsCMI) discussed corrosion control techniques and related causes of corrosion within fire suppression systems. Mr. Kochelek discussed the corrosion chemical process, shared examples of corrosion found within suppression systems and their related failures during his work with fpsCMI. fpsCMI is a corrosion management consulting firm specializing in corrosion management for both new and existing water-based fire sprinkler systems. fpsCMI offers a comprehensive internal corrosion management program to assist with preventing, detecting, assessing, correcting and/or monitoring fire protection systems for internal corrosion. Mr. Kochelek is located in St Louis, MO and can be contacted at (314) 432-1377, jeffk@fpsCMI.com or through fpsCMI's website at www.fpsCMI.com.

President Lee Rebodos adjourned the meeting at 1:42 PM.
